a woman with
talent for capturing
her students'
interest . . .

dynamic and
dedicated . . .

a feeling of involvement
and concern
for her pupils and
school . . .

My task which I am trying to achieve
By the power of the written word
To make you hear, to make you feel —
It is, before all, to Make you see.
That and no more, and it is everything.

Class of 1971:

It has been a pleasure to work with the Class of 1971. It has been a class that has been very cooperative, and a class that gets things done.

Your yearbook will be more appreciated as the years go by. There will be times years later when you will meet your classmates and will want to refer to their pictures in the yearbook. You will enjoy reminiscing together over the things that happened during your years at Wakefield High School. Distances in time will magnify and embellish these happenings and will bring back nostalgic memories of your high school years.

You will never again be together as a class after your graduation. I hope that you look back with pleasure and satisfaction on your experiences at Wakefield High School.

Remember that we will always be ready to help you at any time after you leave Wakefield High School. I wish you good luck and best wishes for future success.

DEPRESSION

Happy people never cease to amaze me.
While life seems so sterile, so empty, so
devoid of purpose.

They can smile.
how strange.

Sometimes I feel there's nowhere to go
but up,
And damned if I don't slip down a few
notches more.

Feelin' bad,
All alone.

They pity me, show compassion from above
While blowing their bubbles and feeling
content with life.

Confusing

Maybe I'm pessimistic and paranoid,
But life's a bum deal and there's no
reason to smile.

So why smile?
Tell me.

With wars and hate and hunger and laws
and nothing.

Be happy.
See what I care.

football

The Wakefield High School Warriors started off their 1970 season with a bang by beating Winchester. They ended it by shutting out Melrose and making history with their first undefeated, untied season. In between these two wins, Coach "Whip" Halliday directed seven other fantastic games. Senior back John Rafferty set a new Wakefield record and led the league with 124 points. The solid offensive line also included quarterback Kevin Halliday, center Rich Gallugi, shifty end Bob Macmenimen, guards Peter Gargano and Ken Queeny, end Wayne Richardson, tackle Bill Kumble and back Ray Boghos, whose last second touchdown won the Watertown game. On the specialty teams, Mark Scerra booted some great punts which were instrumental in the Winchester and Stoneham wins.

A great defense was the difference in many games; the defensive squad posted three shutouts and gave up only 69 points in the nine game season. Responsible were linesmen Ken Malonson, Billy Hankard, Ken Willey, Steve Banks, Al Generazzo, Pat Golini, Jim Walsh, Phil Buckley, Jim Comeford, Art Penarian and safety Pierre Lamy, not to mention the players from the offensive line who played both ways. With their Thanksgiving Day win over Melrose, the Wakefield Warriors won a three way tie for first place in the state Class B division.

short stop moved in to cover the play in case of an over throw to the pitcher. Yet whenever Wakefield took the field the players remained in their positions and did not move in to cover the play in case of such an error. The potential was there and so was the depth but not the spirit. As one spectator stated it, "It seemed as though the Wakefield players came to watch the game instead of play it."

The first league game for the Warriors comes up next Monday (Apr. 17) and it is hoped that by then the players will begin to take the game seriously.

...the non-athletically inclined, the un coordinated, the spas. There as those among us, including myself, whose athletic ability could be poured into a thimble and still not reach the top. For such individuals I propose the following solution.

The present sports system provides ample opportunity for the true athlete to perform well and achieve victory. What I propose to institute is a spastic sports program here at Wakefield High School. In this way the non athlete and those who are pulled in too many directions to get seriously involved in the current sports program can have a chance to learn and enjoy the principles of good sportsmanship and fair play. Benefits of such program would include good healthy competition without the pressure to always win that is found present in most of the present sports programs.

Whether you are a spastic or not, You can have earned no varsity points in any other sport since this would nullify condition No. 1 and prove that you are not a spastic sportsman.

Under the category of spastic sports we could include the intellectual as well as physical pastimes. A roster of such spastic sports might include ping pong, billiards, darts, and bowling on the somewhat coordinated level: bridge, chess, tic-tac-to, and beer drinking (root beer, that is) on the intellectual level: while for the true spastic sportsman we reserve tiddly winks, checkers, gin rummy, and hop scotch.

Such is the program that I propose. How far it will go toward fulfillment, I do not know: I'm having a hard time now trying to slip it under the door of my padded cell.

VARSITY SOCCER

The Wakefield High School Varsity Soccer Team under the direction of Coach Kelley finished its most successful season in the teams five year history. The team record was 11 wins, 5 losses, and one tie. This fine record was achieved in one of the toughest soccer leagues in the state. The booters were captained by seniors Joe D'Alessandro, John Riley and Dave Robbins.

The squad had many fine accomplishments during the past season. They were victorious against two of the toughest teams in the league. Lexington, which has been the team to beat over the past few years, could not beat the local squad, nor could Melrose, which is another soccer powerhouse. This years' team was so successful because the team was entirely composed of seniors, and it was a close knit squad. Four members of the team were named to the Middlesex League All-Star Team. They are Joe D'Alessandro, John Riley, Steven Blais, and David Clough. The remaining members of the soccer team were Pat Turner, Richard Rodriguez, Kenneth Meuse, William Boodry, Alfred Minahan, David Robbins, Steven Marshall, Jack Collins, and the AFS student from Brazil, Francisco Mendes.

Girls Field Hockey

Through the combined efforts of tri-captains Mary Jo Grasso, Meg Mazzone, Linda Salvati, and a talented group of juniors and sophomores, the girls Field Hockey Team consistently put up a good effort under Coach Deal, to post a 4-2-2 league record.

Facing some tough competition the team capitalized on its opponents mistakes to score 10 goals in its first four outings while shutting-out Watertown, Winchester, Stoneham, Concord. After losing its next two games, the girls tied Melrose, and went on to win its next two encounters by a margin of three points each.

Though few in numbers the senior girls Mary Jo Grasso, Meg Mazzone, Linda Salvati, Maureen Mitchell, and Marie Nixon proved especially helpful to the team.

Miss Deal believes that with the varsity experience of girls like Elaine Colakathis, Ann Chitty, Lynn Brown, Laurie Martin, Joyce Lamy, Kathy Kelleher, and Renee Gregorio, that the Girls Field Hockey Team will have a successful season next year.

The 1970 WHS cross country team came through with its usual excellent performance. Hard work paid off for the harriers who continued their domination of the Middlesex League by rolling up an unblemished season. Coach John DiComandrea has now steered the team to fifty-five consecutive dual meet victories, as well as seven Middlesex League Championships. Senior co-captains Tom Morse and Tom Hegarty led the harrier attack, aided by seniors Al Davis, John Fahey, Charlie Maher, Neil Lipson, Bob Hosker, Al Byrnes, Gordon Whicher, David Collins, Ed McCarthy, Ron Sutherland, John Vik, and Andy Williams. Tom Morse had a particularly good season, finishing first in seven of the nine meets. As always, Coach DiComandrea was grooming a fine corps of underclassmen on the varsity squad including Ed Haladay, John Crowley, Joe Maher, Scott Hamer, Bob Foley, and Shaun Beasley. These runners should continue Wakefield's winning ways in the future.

BOYS' BASKETBALL

After a slow start, the Wakefield Basketball Warriors, under Coach "Sonny" Lane, came on strong in the last half of the season to win their last five home games. The highlights of the year were a 62-57 win over a big Winchester team in which senior Bob Dawson led the scoring with 29 points, and a close 56-53 win over Stoneham which ended the season in memorable style for the seniors.

Captain Dave Robbins was the mainstay of the offense and defense throughout the year as he led the scoring for Wakefield in many games and frustrated his opponents with incredible backcourt maneuvers. Senior forwards Dave Clough, Tom Phipps, Ralph Eager, and Bob Dawson turned in fine seasons as did guard Jim LeFave and centers Chi-Chi Rodriguez and Ed Rodriguez. Pleasantly surprising performances came from two sophomores who became starters, forward Steve Relihan and guard Ed Haladay, and late in the season two other sophomores, Tom Conamacos and Bob Moore, played on the varsity squad. With junior Ed Rodriguez and these four sophomores returning, Coach Lane is looking forward to directing a strong team next year.

The Wakefield High School Hockey Team, under the direction of Coach Tom Humphreys, finished an up-and down season by coming in fourth in the tough Middlesex League and also qualifying for the Eastern Massachusetts Hockey Tournament. As the season progressed the team evolved into a league powerhouse. Woburn, the league champions, were unable to beat Wakefield on two occasions as the local skaters came away with a win and a last-minute tie. In the state championships Wakefield tore Lowell apart in an eight-to-three victory. The hockey team was composed of a quick-striking and clever-maneuvering forward line and a stingy defense.

The team was captained by senior and

high-scorer John Riley. Other standouts and seniors on the squad were forwards Bob McMenimen, Rich Gallugi and Ken Malonson, and on defense were Rick Norton and Kevin Halliday. Among the other outstanding members of this year's squad were Paul Ronan and Chris Biggar on defense; Steve Purrington, Steve Banks and John Laughlin on the forward line; and sophomores Lee Sardella and Dan Barry, also on the forward line. The goalies were starter John Foley and Bill Barter, and senior Richard Chapman.

With so much talent coming back next year, Wakefield should continue to be a powerhouse in the Middlesex League.

This year the Wakefield Indoor Track Team earned a Middlesex League tri-championship with Lexington and Melrose. In fact, Wakefield defeated defending champion Lexington by an overwhelming score of 58-28. In the State Meet Wakefield won four first places and a total of 32 points, falling just short of Catholic Memorial for first place. The team was led by tri-captains Al Davis, Charlie Maher and Dave MacNeil. Coach Jim Duff rates the 1971 Indoor Track team with the best W.H.S. has ever had.

BOYS' GYMNASTICS

The Warrior Gymnastics Team, under Coach Bob Bisacre, finished the 1971 season with a 4-7 record and a lot of valuable experience for the young team. The team was led this year by co-captains Marty Muise and Kevin Sullivan. The only two seniors on the squad, Sheldon Anderson and Eugene Joly, turned in fine performances, Shelly in floor exercises, rings and vaulting, and Gene in floor exercises. Two Wakefield gymnasts qualified for state competition this year, sophomore Wayne McCauley in floor exercises and Sheldon Anderson in vaulting. With almost his entire team returning next year, Coach Bisacre is looking forward to a great season with an experienced gymnastics squad.

WRESTLING

This year the Warrior Wrestling Team, under the coaching of Al Generazzo, completed the season with a 5-8 record. At the beginning of the year co-captain George Snow, Phil Buckley, and Dave Scerra were lost for the season. Led by the two remaining co-captains, Ken Queeney and Peter Gargano, the team fought back. They lost two heartbreakers to Reading and Haverhill, and almost upset Melrose and Concord. The team then beat Winchester and Lawrence Vocational and ended the season with a 51-5 trouncing of Lincoln — Sudbury. Three Wakefield wrestlers qualified for the State Sectional Tournament; Al Generazzo and Ken Queeney won sixth and fifth places respectively, and Art Penarian was a trophy winner with a third place finish.

Girls' Gymnastics

This was the first year of league competition for the girls' gymnastics squad. With only one senior, the team depended on freshman and sophomores for its strength. Even so, the girls performed with talent, grace, and beauty in their individual events of floor exercise, balance beam, uneven parallel bars, and vaulting. Thus the season was also a building year for Coach Jean Nichols and Assistant Coach Martha Callahan. The entire team will be returning next year with the exception of Captain Frances Bruen.

Although only two wins and four losses in league action, the girls proved to be tough competitors, and are sure to improve their record next year.

The Wakefield High School Chess Club had a fine year this year under the excellent sponsorship of Mr. Jones. Sporting a 6-5 record with only a few easy matches left, the Wakefield Club could conceivably finish high in the Interscholastic League, which was organized this year by neighboring towns. The club is composed of almost all freshmen, most of whom should be returning for a good season next year.

Peace Corps has developed into an action oriented program this year. The group has been involved with many visits to the Chelsea Naval Hospital and Fernald School for the Retarded in Waltham. The members are also raising money to build a school house in an underdeveloped country. This group has truly found happiness in what it has done for others.

Because of the opportunity to play an instrument in the Band and Orchestra, many members of these organizations have found a deep sense of self-satisfaction and accomplishment. Concerts were many and results were rewarding. Many of the participants of both groups are also active in outside music groups such as Greater Bostonians and G.B.Y.S.O.

CLASS HISTORY

On September 6, 1967, we nervously entered the halls of Wakefield High School for the first time. After becoming acquainted with the confusing block system and the many extra-curricular activities which the school offered, we began the first year of our high school career.

Wakefield was honored to have Ann Campbell, Rafael Urquita, and Zerrin Maner as foreign exchange students from Australia, Chile, and Turkey. They proved to be very exciting and friendly people.

The fall of '67 brought us not only to W.H.S. but also to the first season of sports. Under coach "Whip" Halliday, the football team had many ups and downs during the season. The biggest "down" was the traditional "Thanksgiving day" game against Melrose, which we finally lost by a score of 8 to 6.

The soccer team ended with a 7-3-3 record, and the cross country team captured the Middlesex League Championship. The frosh team won the Catholic Memorial Invitational Meet with classmates Tom Morse, James Duncan, Neil Lipson, Robert Hosker, Al Burns, Charlie Maher, and Gorden Whicher.

When not attending athletic events, we were at the many social activities sponsored by clubs and organizations in our school. The Majorettes, Cheerleaders and Inter Nos dances were very popular among the freshmen.

During the winter, the basketball and hockey teams finished in good standings; the frosh hockey team ended with a 7-0-3 record. Among freshmen standouts were John Riley, Bob McMenimen, Richard Gallugi, Kenny Malonson, Richard Norton, and Rich Chapman.

In the field of performing arts W.H.S. had some great credits. Entertaining us with the Winter and Spring Concerts, the W.H.S. music groups showed tremendous amounts of talent and preparation.

Spring gave way to the final season of sports. The track, baseball, tennis, and golf teams all had successful seasons and started many freshmen on their ways to "Varsity" standings.

Sports were not just for the boys of our class either. The girls' field hockey and basketball teams had very successful seasons. Freshmen who contributed to the teams' successes were Linda Salvati, Patty Mullen, Maureen Mitchell, and Mal Cole. The girls' tennis team, which was newly created, ended with a 7-2 record. Nancy McKenna being a great asset.

During our first year at W.H.S. there were many other events that will be long remembered. No one will forget the demonstration put on by a W.H.S. Senior, Paul P. Christopher Jr., supporting the soldiers in Viet-Nam. Another memorable day was the explosion in the boiler room, which caused \$100,000 damage. As the year began to draw to a

close, elections for the class officers were held. The final results showed John Rafferty, president; Jim Comerford, vice-president; Chris Ramsay, secretary; and Cokie Cronin, treasurer.

Knowing that we had made a good start, we confidently looked forward to our sophomore year.

September of 1968 marked the beginning of our sophomore year. We planted our feet firmly in the corridors and prepared to embark on the second year of our high school career.

With the fall came football, a sport in which our class excelled. Sports fans predicted the great potential of the sophomores as future varsity players.

With the coming of winter the sophomore skaters became a vital part of the varsity hockey team. Rick Norton, John Riley, Bob McMenimen, and "Gupa" Gallugi greatly contributed to the success of the team.

Many of our musically inclined classmates participated in the Northeast District Concert, Greater Bostonians, and music programs within the school. Cindy Buzun, Rosanna Falabella, Laurie Patriquin, and Wendell Purrington were among those who participated.

1968 was a period of activism and involvement. The "Dollars for Scholars" canvass solicited funds for scholarships for worthy students. The campaign was supported by approximately 100 high school students who visited the homes of Wakefield citizens to obtain donations.

Our sophomore year was marked with rallies, speeches, and a partial walkout. Perhaps the students had begun to think on their own and to discover their own minds, or perhaps they were caught up in the wave of activism that swept the school. But, we became more aware of student responsibility and the necessity of supporting one's own beliefs.

The year offered much in the way of entertainment. The Sophomore Hop, "Scarborough Fair," was the highpoint of our second year at WHS. Reigning royalty at the dance were Linda Fernald and Bob McMenimen.

The sophomore year ended with the election of class officers: Dave Robbins, president; Jimmy Comerford, vice-president; Chris Ramsay, secretary; and Cokie Cronin, treasurer.

With junior year right around the corner our sophomore year became a pleasant memory for everyone.

In September of 1969 we entered the doors of Wakefield High, realizing that we were finally upperclassmen. Under the careful leadership of president David Robbins, vice-president Jim Comerford, secretary Chris Ramsay, and treasurer Carolyn Cronin, it was sure to be a successful year.

Sports proved to be a very important part of our junior year. With the help of juniors John Rafferty, Kevin Halliday, Pierre Lamy, Pat Golini, Bob McMenimen, and Bill

Hankard, we achieved a 6-3 record in football under head coach Wilbur "Whip" Halliday. Our cross-country team, coached by John DiCommandrea, had a fabulous season and won the Middlesex League Crown.

During the winter the WHS hockey team with juniors Bob McMenimen, John Riley, Rick Norton, Rick Chapman, Rick Gallugi, and Ken Melonson took second place in the league, under new coach Tom Humphreys.

The indoor track team, coached by James Duff, enjoyed a very successful season, aided by many of our classmates including Charlie Maher, Tom Morse, John Rafferty, and Alan Davis. Under coach Kevin Thomas, the basketball team with juniors Dave Robbins, Bob Dawson, Dave Clough, Bill Boodry, and Rick Rodriguez, finished the season with a disappointing 3-17-0 record.

In the spring the baseball team, under the direction of Bob Miksen, had a 7-11-0 record. The outdoor track team enjoyed a successful season, capturing the Middlesex League Championship.

Other sports were busy throughout the year: the gymnastic team boasted such junior standouts as Sheldon Anderson and Tom Astle; and our soccer team had the help of juniors Al Minahan, Paul Gargano, Bob Dawson, Dave Robbins, Steve Blais, Bill Boodry, Dave Clough, and John Riley. The wrestling team, aided by Don Flynn, George Snow, Ken Queeny, Art Penarian, Ray Boghos, and Pete Gargano, won their share of victories for WHS. The girls were also kept busy with the field hockey, basketball, and track teams. Meg Mazzone, Maureen Mitchell, Linda Salvati, Mary Jo Grasso, and Nancy MacKenna played significant roles on their respective teams.

One of the highlights of our junior year at WHS was the Junior Prom in November, its theme being "Edelweiss." Queen Martha Robertson and King Ray Boghos reigned over the romantic Swiss village for the evening.

Music played a great role in the lives of our classmates. Many talented musicians participated in the Marching Band, Concert Band, Orchestra, and the Jazz Ensemble. The Chorale, Madrigal Singers, and Girls' Choir made several outside appearances in keeping with the musical tradition of WHS.

The Christmas, Winter, and Spring concerts, under the competent direction of Mr. Boisen, orchestra; Mr. Laman, concert band; and Miss Babikian, the choruses, were appreciated by large audiences. Many students from our talented junior class, including Lauren Patriquen, Whit Browne, Diane Goldstein, Rosanna Falabella, Debbie Jackel, and Wendell Purrington, were selected to perform at the North-eastern and All-State concerts.

Our class was represented by Lauren Patriquin, Cynthia Buzun, Whit Browne, and Wendell Purrinton, in the GREATER BOSTONIANS, both on television and at the live concert held at the WHS auditorium.

In the dramatics, the Thespians, under the direction of Mrs. Debora Bach, produced THE LITTLE FOXES, in

which our classmates Anne Conway and Jane Gorey were featured.

Another very important aspect of our junior year was our scholastic achievement. In the annual science fair many of our classmates received prizes and honors: in chemistry, Ken Carrier took first prize, Betsey Clague took second prize, and Nan Freeman won third prize. Also, Deborah Elmer won second prize in biology.

The American Field Service program was very successful at WHS this year. We were extremely fortunate to have Lene Hansen, who stayed with the Milton Freemans, as our foreign exchange student. The students of WHS enthusiastically supported the AFS program by joining in the fund-raising drive which netted over \$1200.

Our junior year was filled with many other events: we got our first taste of college boards upon taking the PSAT and the SAT exams. Assemblies, Pep rallies, PREP Club, and college conferences kept us busy. The Inter Nos Club, Peace Corps, FTA, and the Ski Club were among our varied outside activities. The LOOKOUT and ORACLE were well staffed by our classmates.

In June, we received our report cards, telling us that we were officially the senior class of Wakefield High.

During the long summer months, several classmates went abroad in various capacities: Carolyn Breeden went to Turkey as an AFS foreign exchange student. Cindy Buzun and Nan Freeman toured Europe with the American Leadership Study Group; and Diane Goldstein and Wendell Purrington enjoyed a concert tour of Europe with the Concordia Youth Chorale.

After an exciting summer, we began preparations for the coming fall term when we would have to assume the responsibilities of leadership.

September of 1970 finally arrived, and with it, the reality of our becoming the senior class of Wakefield High. Under the leadership of our class officers Jim Comeford, president; Kevin Kelleher, vice-president; Chris Ramsay, secretary; and Cokie Cronin, treasurer, we were destined to have a highly successful last year at WHS.

Sports proved to be one of the most important aspects of our lives as seniors. Our football team, under head coach Wilbur "Whip" Halliday, had a very successful campaign as they tied Braintree for the State Championship and won the Middlesex League Crown with a perfect 9-0-0 record. As a result of their unexcelled season, the football team, captained by John Rafferty, Rich Gallugi, Ken Melonson, and Pete Gargano, earned a trip to Bermuda.

Also in the fall, the cross-country team, coached by John DiCommandrea, won the Middlesex League Championship for the seventh consecutive year. Captains Tom Morse and Tom Haggerty, aided by seniors John Fahey, Charlie Mahor, Al Davis, and Neil Lipson, saw the winning of fifty-five consecutive meets.

The soccer team, coached by Dick Kelly and Joe Neil, finished with a strong 10-5-1 record. Senior standouts were

captains John Riley, Dave Robbins, and Joe Dellasandro.

During the winter, the varsity hockey team, under the direction of second year coach Tom Humphreys, had a successful season, boasting seniors John Riley, captain; Bob McMenimen, Ken Melonson, Rich Gallugi, Rick Norton, and Rick Chapman. The basketball team, acquiring a new coach in Sonny Lane, won its share of victories for WHS. Under coach Bob Biscare, the gymnastic team did very well, aided by seniors Sheldon Anderson and Tom Astle. The indoor track team, coached by James Duff, had a highly successful year assisted by senior captains Al Davis and Charlie Maher.

In the spring, the outdoor track team, under coach Duff, had a very strong year aided by several returning senior lettermen. The baseball team, under the capable direction of coach Dick Scanlon, had the help of many senior lettermen and had a successful season.

During the senior year, the girls were kept busy with their own sports. The field hockey team, through the efforts of tri-captains Mary-Jo Grasso, Meg Mazzone, and Linda Salvati, finished the season with a significant 5-2-2 record. During the winter, the girls' basketball squad, playing its second year with boys' rules, aided by senior standouts Linda Salvati and Maureen Mitchell, captains, held its own against very difficult competition.

The girls' tennis team, with returning varsity members Meg Mazzone, Mary-Jo Grasso, and Nancy MacKenna, drove many other teams off the courts. At the same time the softball team, aided by Linda Salvati and Marie Nixon, could be seen hitting hi-flies onto North Avenue. The track team, in its second year, showed marked improvement through the efforts of Cokie Cronin and Maureen Mitchell.

The Wakefield High Cheerleaders, under head Chris Ramsay and sub-head Gail Porter, worked very hard planning pep rallies and making spirit posters. The Majorette squad, headed by Ann Kennedy and sub-head Madelyn McClarity, added color and excitement to the half-time shows at the football games.

The WHS Student Council, through the efforts of president Bill Boodry, was successful in abolishing the dress code and gaining special privileges for the student body.

Our two school publications, the ORACLE, under Co-Editors Diane Cosman and Bill Boodry and the LOOKOUT, edited by Cokie Cronin and Patty Mullen, kept many of our senior classmates busy. Through the concerted efforts of their respective staff, both the ORACLE and the LOOKOUT were very successful.

Music played a great role in the lives of many seniors. Our class contributed greatly to the Marching Band, Concert Band, Orchestra, Jazz Ensemble, Chorale, Madrigal Singers, and Girls' Choir. The Christmas, Winter, and Spring concerts — under the able direction of Mr. Boisen, orchestra; Mr. Laman, band; Miss Babikian, the choruses — were well received by large audiences. Participating in the Northeast District concert in Beverly and All-State

concert in Chickopee were seniors Lauren Patriquin, Whit Browne, Wendell Purrington, Rosanna Falabella, Diane Goldstein, Maureen Gill, Dana Perkins, Stephen Boody, Cindy Buzun, Ken Irving, and Phil Small.

One of the high points of the year was the Senior Play: our class presented Woody Allen's comedy DON'T DRINK THE WATER, directed by Mrs. Debora Bach. Playing major roles in the production were Dave Stackhouse, Anne Conway, Ira Montague, Brian-Goss, Penny Morang, and Bruce Hartman. Also in the field of dramatics, the Thespians, coached by Mrs. Bach, produced Shakespeare's MACBETH for the Drama Festival.

We were all very proud of the forty-six members of our class who were inducted into the National Honor Society, sponsored by Miss Margaret Wheeler; this year the society started a tutoring program and contributed to the Scholarship Foundation.

The Inter Nos Club, FTA, PTSA, W Club, Peace Corps, and the Ski Club were among our various outside activities.

The AFS club was especially busy this year. We were very fortunate to have Francisco Mendes from Brazil as our foreign exchange student; he was a great friend and a valuable asset to our soccer team.

The students of Wakefield High were saddened this year by the passing of a great friend, Dr. Szydlowski. He would have been very proud of the WHS football team and all the other athletic teams with which he was in close contact. His great and dedicated services were appreciated and will be long remembered by many generations of WHS alumni.

As the long, cold winter melted into spring, the excitement of the various graduation events grew. The Senior Breakfast and Class Day will always be special memories for each senior. The Senior Prom, held at Montvale Plaza in Stoneham, was one of the most memorable events in our high school career.

June arrived with graduation and anticipation of the future. We looked with nostalgia on our "Dear Wakefield High," realizing that we were now alumni of WHS. We will always remember our many teachers and advisors who guided us through our high school careers and helped us to understand the true meaning of our four prosperous years at Wakefield High.

SENIOR PROM

Our Senior Prom, held Friday evening May 21 at the Montvale Plaza in Woburn, was the first of several memorable events ending our days at Wakefield High School. Over 200 couples attended, making the evening an affair to be remembered.

The guests were greeted at Montvale by a receiving line comprised of the class officers, their parents, several members of the WHS faculty and their escorts.

The greetings ended promptly at 8:00 PM and, shortly after, dinner was served. Our roast beef dinner was cheerfully complimented by the dancing waitresses of Montvale Plaza.

Following our meal, the waitresses distributed favors to everyone. The girls were given brandy glasses while the boys were given cocktail glasses. The favors were inscribed with, "WHS Senior Prom", for a remembrance of the evening.

The remainder of the evening consisted of dancing to the lively sounds of the Manhattens. The evening was climaxed by the presentation of a bouquet of roses by Jim Comerford to Janis Olstin who reigned as queen of the prom.

Our Senior Prom exceeded even our greatest expectations, being a most enjoyable evening.

CLASS NIGHT

Class Night, held Tuesday June 1, followed our Senior Prom in fine fashion. Heading the evening was an excellent turkey dinner preceded by a brief invocation by Mr. Barry. Closing the dinner period was the dedication of the yearbook. Bill Boodry, editor-in-chief of the Oracle staff, had the honors of presenting it to Miss Arlene Glenn, this years' recipient.

Proceeding to the auditorium, our class president, Jim Comerford, greeted the students and parents. Within moments thereafter, the audience found themselves captivated by the live and crisp tempo of the WHS Jazz Ensemble.

Next on the program came the time for recalling our four memorable years at Wakefield High School. The Class History Committee, under the supervision of Mr. Paul Eckman, spent many long and hard hours in preparation for Class Night. Doing the composing and reading were; Ann Kennedy, Sharon Singleton, Robert Miller and Wendell Purrington. These seniors deserve a great deal of credit for their time and efforts.

Music played an important part in many of our activities throughout our years at WHS and Class Night was to be no exception. The Senior Vocal Ensemble, headed by Miss Eleanor Babikian, drew a rousing ovation from the audience upon the completion of their songs: "We've

Only Just Begun" and "If We Only Had Love".

Mr. David Tropeano's Class Will Committee then took over the microphone with their witty, humorous and meaningful thoughts. Laughter filled the auditorium as committee members Tom Morse, Marie Joyce and Lynda Thibodeau read their scripts. Strong censorship, though, spared many of our fellow classmates, faculty, and underclassmen from the laughter.

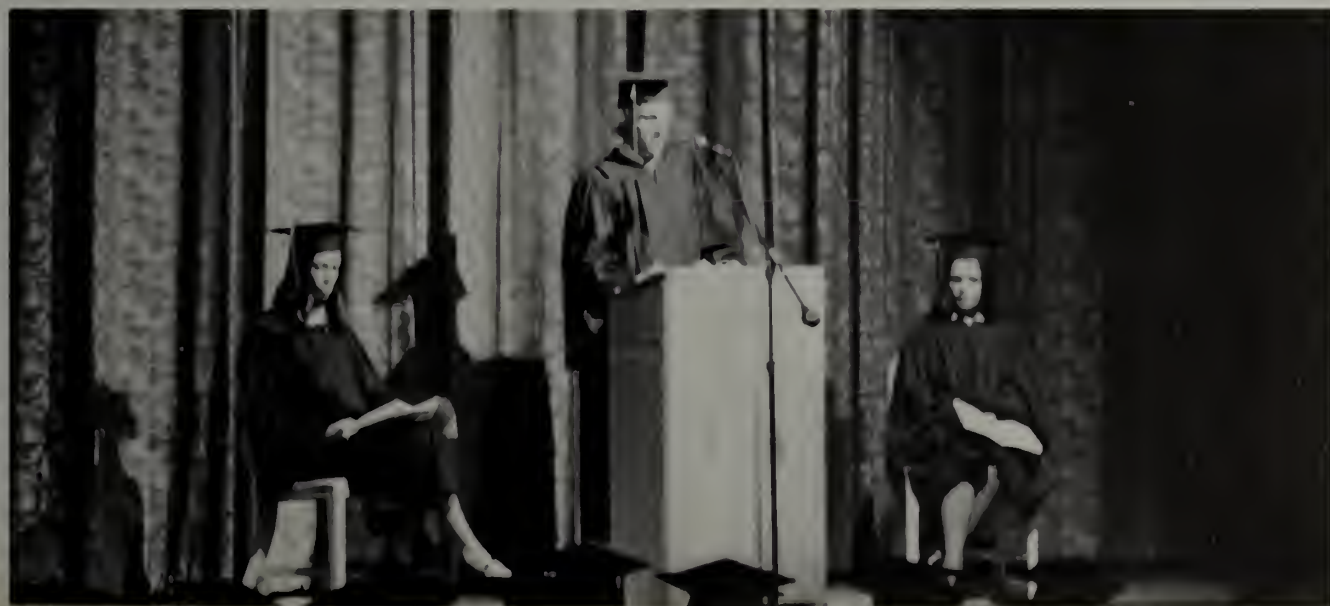

Once again the Jazz Ensemble appeared and received a fine ovation for their performance.

The Class Elections are one of the most talked about decisions of the year. The questions of who will be the cutest, the wittiest or the most popular together with the anticipation make the elections a feature of Class Night. The results were read by our beloved Jim Comerford, who filled out his gown like a true president.

Closing the ceremonies was an outstanding performance by our fellow classmate Wendell Purrington who sang a most appropriate song, "Bridge Over Troubled Waters." The audience was captivated by Wendell's tenor voice, which concluded the program on a highly emotional note.

This, along with the other events and the parties that followed could lead us all to but one conclusion . . . Class Night will long be remembered.

GRADUATION

Graduation exercises are always the time when the student sparkles in the eyes of his or her parents. Although it is done as a group, there is a great deal of individualism in respect to readings, presentations and the passing out of diplomas. Our commencement program took place Sunday, June 13, and was held in the auditorium because of rain. The ceremonies began promptly at 2:00 PM with the processional of the graduates to their seats.

Class president Jim Comerford led the audience in the flag salute. The National Anthem followed along with a moment of silence for Donald Bullfinch. Don passed away very suddenly the day before in a swimming accident. He was a well known and respected student of Wakefield High School.

Denise Carey, a distinguished member of the National Honor Society, had the honor of reading her original senior prayer. It was a very meaningful message and Denise did an exceptional job of presenting it.

Kevin Kelleher, president of N.H.S. and vice-president of our class, then read his essay "The Individual." Kevin's essay displayed a great amount of talent and, he too, did

an excellent job in presenting it.

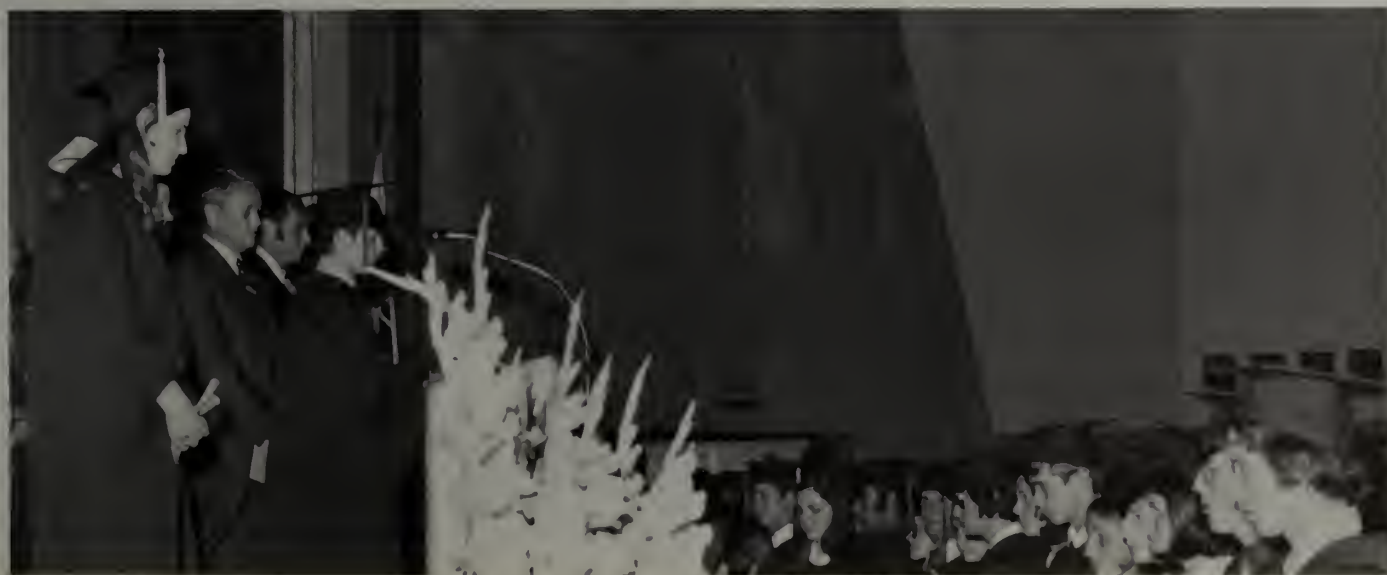

The stage was then readied for Mr. Barry, principal of WHS, to make the presentation of academic awards. The awards were given to students that had displayed extraordinary talent in specified areas of academics and devotion to the school. The Citizenship Scholarship Foundation distributed more than \$10,000 dollars worth of scholarships to worthy seniors showing financial need along with academic excellence.

Once again, a member of the National Honor Society read one of his original works. Robert Moores, a talented writer, read the class poem, "To Seek a Newer World." It should be noted that the members of the N.H.S. were instrumental in making the commencement exercises a success.

In closing, Dr. Melvin Hellinger, chairman of the school committee, extended congratulations and best wishes to the seniors in an otherwise controversial speech.

Finally, the diplomas, which everyone had been waiting for, were passed out and our days at Wakefield High School had officially come to an end.

VARSITY BASEBALL

Under the direction of newly appointed coach Dick Scanlon things looked promising for the Warrior nine this past season. The team started the season strong and finished the year with a disappointing 6 wins and 12 losses. The high point of the early season was the Warrior victory over previously undefeated Reading. The locals won by a score of 5 to 4. Senior standouts on the squad were Tom Phipps, Wayne Moore, who received the trophy for the Most Improved player on the squad and Ray Boghos, who played his position very well at

catcher. Other standouts were Pierre Lamy who was a defensive specialist, and the fine pitching staff composed of Bob Dawson, John Rafferty and Ray Toothaker. The team was captained by Jim Comerford who became increasingly better as the season progressed. The baseball program also took a step in the right direction by making Dave Tropeano the coach of the freshman team. This move should help to build a strong foundation for the varsity squads of the future.

OUTDOOR TRACK

The Wakefield High School Varsity Track Team under the direction of Coach Jim Duff won their second straight outdoor Middlesex League Track Championship this past spring. The team finished the season with a record of 9 wins and 0 losses which extended the teams record to 18 consecutive victories. The co-captains for the outdoor track team were David Collins and John Fahey. There were many strong points which added up to a successful season. John Fahey was one of them, as he came in third in the New England track championships, in the 220 yard run. Tom Morse was also a star for this years team in the 1 and 2 mile races. Dave Clough was also a bonus to the team with his outstanding ability in the hurdles and the high jump. Ken Wiley was also quite an asset to the team in his event, the shot-put. There were also many other outstanding runners on the track team. The hopes for next season are also very high with trackmen like Bob Evans, Joe Maher and many other standouts returning.

GIRLS TRACK

In only its second year of existence, the Girls' Track Team earned an impressive record of six wins and two losses. The team was led by seniors Maureen Mitchell, Elaine "Jessie" Fulton and Debby Sasso, and supported by a host of enthusiastic underclass runners and jumpers. Kim

Pasquariello, Jill Ramsdell, Terry Rohner, Mary Robertson, and Claire Stackhouse were some of the freshman and sophomore standouts. Since most of the girls will be returning for two or three more years, Coach Callahan is looking forward to successful coming seasons.

The Girls' Tennis Team, under Coach Eleanor Mazzonne, and Assistant Coach Jean Teneriello, finished the 1971 season with a fine 5-4 record in their first try at Middlesex League competition. In only its fourth year as a varsity sport, the team showed remarkable depth: the experienced seniors were well supported by talented underclass players. Meg Mazzone, Nancy MacKenna, and Mary Jo Grasso, the seniors who played first, second and third singles respectively, were steady throughout the season. Other seniors on the team were Roseanne Boghossian, Marie Bartlett, Patty Mullen, Linda Bayrd and managers Marcia Erickson and Rosanna Falabella. Returning next year will be two crafty sophomores, Sara Landers and Renee Gregorio, who were 4-1 as a second doubles team, and also Jo-Ann Koulouris, Janet Minichiello, Jean Mulhearn, Lorna Diehl, Donna Chase (the only undefeated player this year), Terry Zagarella, Denise McCarron, and Mary Gallager.

TENNIS

BOYS' TENNIS

Up against very tough Middlesex League competition, the Boys' Tennis Team did not win this year, but under Coach Ed Walsh the boys showed improvement over the season and several times lost by only one match. Leading the team were seniors Doug MacHugh, Dean Staunton, Rick Rodd, and Ken Carrier. Back next year will be Nelson Freeman, Brian Staunton, Scott Donahue, and Larry de-Garavilla.

GOLF

This years Varsity Golf team was coached by Al Kodis. The team finished the season with a record of 0 wins and 9 losses. Two senior standouts on the team were Wayne Richardson and Bob McMenimen. Even though the golf team is coming off a dismal season, next years team is looking for a much more successful record. Next seasons team will be led by Wayne Kimball, who will be a junior and senior Chester Roberts.

S O F T B A L L

Under the direction of Mrs. Murphy this seasons Girls' Softball Team finished with a record of 4 wins and 5 losses. The team was captained by Linda Salvati and she received the award for Team Spirit and Leadership. Another senior who greatly contributed to the team was Nancy Plummer who was the manager of the team. Next year the team could very well improve on the record of this years' team. The team will be loaded with skill and experience next spring with girls like Laurie Martin who was this years Unsung Hero and Liz Williams returning.
